FROM OUR MINISTER

Dear Friends,

The News Papers at some point were saying Christmas is cancelled this year, because of COVID 19. Of course, the real Christmas is never cancelled and that is the great relief to the whole world.

Ashford and Ashford Common Methodist Churches opened for worship on Christmas day and celebrated the birth of the King of Kings. Christmas is bigger than COVID 19 , the truth of Christmas is – this Baby is God in the manger, the answer to the problems of the world. All that COVID 19 achieved was to separate us from our families who join together to celebrate Christmas, the day is divine nothing can cancel it.

The year 2020 has been a difficult year full of challenges, from the 24th of March 2020 COVID 19 has brought much suffering and pain. The loss has been devastating with a staggering figure of over a million people dead worldwide and in the UK over 71000 people lost their lives with serious disruptive results in every aspect of our daily lives.

We are at the edge of the year, there are a few days left to enter the New Year 2021. How I wish entering the New Year meant COVID19 would stay behind in 2020, it seems COVID 19 remains with us. As I write on the news it being reported that, the NHS is now struggling to accommodate patients. The doctors are said to be attending patients in the ambulances because there are no beds. It seems the statistics of COVID 19 are increasing. Medical staff are being called to report for duty and to cancel their leave days. COVID 19 is reported to have changed its mutations coming up with new variants which are more infectious. We lift our eyes to God to save us and scatter the darkness. God is bigger than the problems we are facing.

This is a time of uncertainty- there are many questions but no simple answers to the problems we are facing. Many people are currently asking “why is this happening? Where is God in all this?” Most people have spent so much time and energy trying to fix the situation and nothing has moved so far because God is not in their centre. As Christians we are called at this time to wait upon the Lord and to be still listening to what He is saying to us as a Church. We believe Christ is fully human and fully divine- sometimes we overlook the first part that Christ lived our life and experienced the most painful death. Our hope is in Christ, who is the way the truth and life, who understands fully what is going on and cares for us.

As the Lord was with his disciples in the Storm- He is with us in the fight against COVID 19. The Lord is our Anchor that keeps our souls steadfast and sure while the billows roll, and we are grounded deep in the Saviour’s love. God gave skills to the doctors, that he might be glorified - the doctors heal and take away pain, the pharmacists make the medications and the vaccines, God grants them success in diagnosis and healing for the sake of preserving life. (Sirach 38: 6ff). So, let us find comfort in knowing that when we pray to Emmanuel- God with us, who understands- not because He is divine but is human, walked the road we are walking at the present moment. God wants us not to fret or be anxious but to rest and trust in his strength. Christ is a never-ending source of love and wellbeing. He is still on the throne directing things through his Holy Spirit.

On the Eastern Side, the churches are closed because we are in Tier 4 with very minimum activities taking place in the churches. Laleham is closed opening only for streaming services by Kingdom Living Church on Sunday. Ashford is closed, opened only for those who do not have internet, one or two people go to worship with the Circuit Zoom service using the AV system in the

church. Before the closure of Churches, we had an adult Baptism of Kathryn on the 13th of December 2020 at Ashford Methodist morning worship. It was a special worship, God is always encouraging us even in dark times such as these, his presence is with us. The community was delighted to welcome Kathryn though we could not shake hands to bless her. I am sure God did the big handshake. Ashford Common and Southville Methodist Churches are closed, until further notice. At the present time no one knows how long this will continue and we are all waiting for the Government guidelines to get us out of Tier 4.

The merger of Ashford and Laleham is work in progress and the Christchurch partnership papers are still under scrutiny by both the Anglicans and Methodists before they can be finalised and signed by both parties. We are all waiting eagerly to celebrate this special partnership.

We continue to worship God using Zoom, TV, Reflections and all the other means which are accessible to us.

I hope and trust you managed to make the best of Christmas this year with the current limitations. May love, peace and joy be your blessing all year through in 2021.

With Christ's Love

Juliet

As we are still not meeting it was decided to do a 'Messy Church at home bag' for Christmas to give to our families that usually attend.

We wanted to get them to think about the true meaning of Christmas before the festivities began.

We share with you what we put in:

A cartoon book of the Christmas story told in a way which might interest the older ones.

We included 2 different wooden scenes depicting the birth of Jesus which they could make up and decorate how they wished together. There were also items (and they could use their own) to make a Christmas card for a lonely person or a neighbour to show they care just as Jesus cares for them.

A bag with an orange each and instructions were put in so they could put them in a bowl of water with the peel and watch it float to the surface.

They then had to peel them and watch as they sank. They made a tasty snack afterwards.

Orange peel is full of tiny air pockets: making the orange float to the surface when put in water! Removing the peel (and all the air pockets) means the orange is heavier and will sink.

They were encouraged to talk about God sending Jesus as a gift to the world - a gift for you and me! They thought about the orange peel enabling the orange to float. Jesus is like the orange peel with the air pockets - he wraps his love around us - and with him, all things are possible.

A Christmas prayer leaflet and a prayer for Messy Church. Of course, a few chocolates!!!!

If we are still not meeting by next Easter perhaps we will think of something to keep in touch with them.

Wishing everyone a happy, safe and healthy 2021

Please continue to pray during these times for all the friends you have at Messy Church and their families

We send birthday greetings to Doreen Mellish, Christine Fisher, Hannah Camis, Maurice Hattaway, Max Hole and Trevor Evans who celebrate in January.

Maureen Jeffrey has a birthday in February, many happy returns!

We've been pleased to continue to welcome preachers and congregations at morning and evening services each Sunday but, with the imposition of Tier 4 restrictions, the Church Council agreed remaining open would not be safe, wise or sensible. This

was not a decision taken easily or lightly and of course impacted how Christmas could be celebrated.

We've continued to keep in mind the people we haven't seen for many months. Where we have an e mail address we've continued to share Rev Juliet's reflections electronically. If you've not seen any of these and would like to be included, please get in touch with your e mail address.

Looking forward, and in the current circumstances, it's difficult to make plans

You will understand that with the ongoing issues Rev Juliet can't be at the Church each Tuesday from midday to 1.00. If there is any support you need at this difficult time, please call

View from the storeroom roof on a chilly morning in November

Although the church building isn't being used as much as we might like, we're keeping on top of looking after it.

A leak has been noticed in the furniture store and so very early one morning we met a tradesman on the roof to have

a look and agreed some repairs are needed. These are in hand and we hope this will be enough to keep the building watertight again.

The Boys' Brigade 7th North Surrey Company

Our return to face to face activities at the Church was short lived, the further restrictions put in place at the beginning of November meant we had to pause again. Our volunteer leaders discussed the opportunity to start back again for two weeks at the end of December and agreed to resist to reduce the risk of the virus being contracted and manifesting during the Christmas break.

The Tier 4 restrictions in place as we write have led to BB Headquarters instructing Companies not to meet face to face. As you would expect, we are continuing to monitor the situation and will be back together just as soon as we can.

Current guidance is that no residential activities can be offered until at least May 2021, this means there will again be no Weekend Camp at Easter and our leaders have decided not to make any plans for a Summer Camp this year, however, if there is a rapid improvement in the situation, we will work hard to arrange a residential weekend before the end of the session.

We continue to update our Facebook page, keep in touch with families by e mail, and also remember boys when it is their birthday . . . but none of this is the same as meeting face to face.

From the Circuit Office – and Beyond

Dear Friends

As we begin another year I know that there is a great sense of uncertainty about the future which is perhaps made even more challenging by the impact of the Coronavirus. It has certainly had a significant impact on what we have been able to do in our Churches over the past year and as I write these words I am not sure if the rules relating to Church Services are likely to change. I am truly thankful for the Ministers and Stewards of our local Churches who have done so much to keep in touch with folk and to provide them with support when necessary. The fact that churches have not been open does not mean that work has not carried on. All Churches have continued their mission and outreach in new and often innovative ways.

Moving around the Circuit I can tell you that the Village Centre at Englefield Green is working on a project to refurbish the interior of the building and details will be presented at the next Circuit Meeting in February 2021. Baby Basics has been busy with equipment being distributed right up to Christmas week.

Egham United Church have received approval from the District for a number of projects that have already been considered by the Circuit.

We have also let the Egham Manse for a period of time which provides some useful income.

The work on the project at Staines to install a lift has now grown to include work on areas such as the two kitchens and toilets. Details of this work should be presented at the next Circuit Meeting. The sale of Wendover Road has been rather complicated but the hope is that it should be completed by the beginning of February 2021.

Moving across to Ashford and Laleham, I am happy to report that the merger is being brought to the attention of District Council on 5th January 2021 with the intention that the new church will commence following the Circuit meeting.

Ashford Common have been looking at the licence for the Pre-School Nursery and also at some necessary repairs to the flat roof.

As we move over to Southville, their licence with the Pentecostal Church has been renewed for another year and their joint ministry continues to be of benefit to both denominations.

We still need to resolve the Partnership Agreement with Christ Church in Feltham and we are currently waiting for comments from the Solicitors advising the Anglican Church.

I am also working with the Circuit Leadership Team on completing the sale/purchase of the Feltham Manse as there are a few technical issues that still need to be resolved.

I would not want to conclude this letter without expressing my gratitude to all the members of the Circuit Leadership Team; Juliet, Pauline, Roger, Jonathan, Marilyn and Maggie who over the past year have assisted me in so many ways in managing the issues that I have highlighted above as well as supporting me in many other ways.

I wish you a peaceful and happy New Year.

God Bless.

War Memorials

on 8th November 2020 at
Southville Methodist Church

at Bedfont War Memorial
on the 11th November 2020

For me, war memorials are inevitably associated with cemeteries. When I was growing up, I thought that cemeteries were just places where people were buried after they had died.

The one thing that changed my perception came about when I was serving in Korea in 1954 as a United Nations Peacekeeper. I accepted an offer to visit the United Nations cemetery in Pusan. When I visited, the cemetery was accessed by a dirt road (of course) and occupied a large field. There were just rows and rows of white crosses, split into blocks, representing the other countries who had come to Korea's aid when she was invaded by the North Koreans. What was striking about the site was the fact that it was literally in the middle of nowhere and there were no buildings in sight.

In 2005, accompanied by Robina, I returned to Korea. In our itinerary was a visit to the United Nations cemetery at Pusan. How different was the cemetery now! It was approached by a three lane road coming off a nearby motorway. There was provision for coach parking and, the site was totally surrounded by high rise buildings! The white crosses had been replaced by

flat ground markers and the plots were immaculately maintained with many flowers. We discovered that this came about because school children were bussed in to do this. Furthermore, they regarded what they were doing as an 'Honour and a privilege'!

OPEN THE BOOK

Unfortunately, we have not been able to visit any schools since February half term. However we have continued to communicate with all four schools sending messages at Easter, at the end of term, the beginning of term and at Christmas thanking them for their continued work in supporting the children of our community during these strange and difficult times.

We also sent each school a Christmas card and book telling the Christmas story in verse which, judging from the responses

received, was much appreciated. We also received a card from Sparrow Farm Infant and Nursery School with the following message.

‘Thank you so much for the lovely card and book you gave to us. It was so thoughtful of you. Sending lots of love and very best wishes for a safe and healthy 2021.’

Hopefully as the year progresses, we will be able to return to the school to share Bible stories and in the mean time we will use the time to continue to prepare props and costumes in readiness for our return.
