FROM OUR MINISTER

Dear Friends,

I would like to start this letter by acknowledging the passing away of His Royal Highness, Prince Philip the Duke of Edinburgh on the 9th of April 2021. We stand with Her Royal Highness Queen Elizabeth The Second and the Royal Family as they mourn the Duke of Edinburgh. We thank God for his long life and service which impacted the Commonwealth and Nations and his dedicated support for the Queen and this nation. He left a tremendous legacy of a committed Statesman which is cherished by this nation and many nations beyond borders. May he rest in eternal peace and rise in glory.

As you are all aware our churches are still closed. Church life is continuing all online during the Lockdown. Worship on Zoom is not ideal but at least singing is possible, of course with *all muted*. More people attend and are prepared to engage in the fellowship groups after the worship. The most important aspect is that we can see each other and share. During holy week we managed to engage through Zoom having reflections on the Passion in an effort to capture the mood of what the Lord did for us at Calvary. I would like to say a huge thank to those who worked so hard to keep the church family worshipping God in truth and in Spirit by preparing worship materials and some of them distributed.

On Easter Sunday one Church on the Eastern area opened for worship, that is Southville Methodist Church. The atmosphere was very different, it was excellent to be back in the sanctuary It is true the church is the people not the building. The Lord is among his people when they come together to worship Him. I felt like Peter that day who said, Lord shall we build tabernacles

here? It was not easy to leave the Sanctuary on that Easter Sunday.

However, we are now in the third week of Easter, the Government is relaxing the Lockdown restrictions, starting on the 12th of April 2021. This is particularly good news, and we are now looking forward to opening our churches, and start worshipping in our buildings. The possibility is that by May all our buildings will be opened, though at first, we were looking at Pentecost. We thank God for the Scientists who worked tirelessly and came up with vaccines. Most people have received their first dose of vaccine *jabs* and some have had the second dose. We are beginning to see light at the end of the tunnel. We are seeing the numbers of death and infection with C19 have gone down tremendously and we give thanks and praise to God for this breakthrough.

As we look forward to return to worship in the churches, there is going to be a big change from where we were before lockdown. We now stand in a “new norm”. So, we need to be mindful of the restrictions, we need to observe, especially social distancing and wearing face masks. We need to think of those who do not feel ready as yet to come physically to worshipping in the churches and how we can keep connected together. C19 has done a lot of damage to our way of life so there is so much that is uncertain, church is never going to be the same as we knew it, so much we cannot predict, nor understand. However, in all these challenges Christ is our unchanging Rock and an unfailing Deliverer and an everlasting hope.

Presently there are no activities taking place in the Eastern End. Some of the groups who use our Buildings are preparing to start meeting by the end of the month of April, 2021. We look forward to open the door of our churches soon. The significant things

that are going to happen which give us so much hope, is the celebration of Woodthorpe Methodist Church and hopefully the signing of the partnership document at Christchurch.

I end my letter on a sad note, with profound sadness I inform you that Mrs Sylvia Jenkins a long-standing member of Ashford Methodist church who moved a few years back to Virginia Water Sunrise Homes, passed away peacefully in her sleep on the 17th of March, 2021 and her funeral was attended by close family at Staines Cemetery on the 1st April, 2021.

Mrs Sylvia will be missed by all those who knew her and crossed paths with her. Our thoughts and prayers are with the family at this difficult time. May Sylvia's soul rest in eternal peace and rise in glory.

At Southville Methodist Church, Mr J. and Mrs M. Bailey lost their elder son Colin on the 7th April, 2021 after a very long illness. Our thoughts and prayers are with the Bailey family, to find peace and comfort as they mourn. May Colin's soul rest in eternal peace and rise in glory. The funeral Service for Colin will take place on the 30th April, 2021 at Southville Methodist Church. Due to current restrictions numbers attending are restricted.

Hopefully with Lockdown rules being relaxed. I wish you all a great time during summer, visiting and meeting with family and friends and enjoying those things we have missed for over a year.

With Christ's Love

Juliet.

Sylvia Jenkins

Sylvia Jenkins died peacefully in her sleep on 17th March, 2021. Close family attended a burial service at Staines Cemetery on 1st April, 2021.

Here is the Eulogy that was read out by my brother Neil during the service.

"Our mother loved her children and grandchildren very much and wanted the best for them. She was very generous and caring.

She was proud of us and encouraged us in our lives.

She was adventurous and liked new experiences and seeing new places. She came to visit me in Germany, Russia and New York, and was keen to travel to Seattle but was not well enough to travel. She still talked about wanting to take the train to London or Brighton to explore even up to shortly before she died - she was always enthusiastic and positive about making plans!

Mum was so looking forward to us all going out for a meal together in the summer. She had an incredibly positive outlook, insisting to look on the bright side of life. She always had a smile on her face, often reiterating that a smile costs nothing, but can brighten someone's day.

Mum left a mark on everyone she met, full of character, she would never fail to fill a room with laughter. She was known for her joyful smile, and lovely, friendly personality. She touched people's hearts and was always there for others, taking an interest in everyone she met; she never failed to make someone feel welcome in her presence. Mum was glamorous, well dressed for every occasion, and notorious for saying "us women have to suffer for our beauty".

We have received many sympathy cards and flowers, each one reminding us of what a wonderful, lovely lady Mum was. We will fondly remember her kindness, generosity, her wicked sense of humour and her devotion to the family.

We will miss her dearly, but she will always be in our hearts." Our mother's request on her death, was that there be no flowers at her funeral, apart from close family. She invited donations to be made to The Gurkha Welfare Trust.

This can be simply done on their website – www.gwt.org.uk Click 'Donate Today', then 'make a one-off donation' followed by the amount and 'Why are you donating?'. From the drop-down list select 'In memory of', and in the 'Enter your comment here...' please quote our mother's name and reference 'P74916', followed by any thoughts or memories you wish to share with the family. Then complete the remaining details and make the payment. If you are a UK taxpayer, please tick the Gift Aid option.

Alternatively, you can call The Gurkha Society directly on 01722 323955.

Our mother will be deeply missed by us all and we would like to thank you for everything you meant to her.

Love and God Bless

Yvette Wright

From the Circuit Office – and Beyond

Dear Friends

Easter seems like a long time ago now as we move into summer. Actually, Easter 2021 was unlike any other Easter I can remember and I have mixed feelings about it. On the negative side, there was the fact that we could not link with our communities with “Walks of Witness” and it was not possible to have Maundy Thursday foot washing as we have done in the past and for most Churches, it was not possible to hold services on Easter Day. This was all very challenging, but on the other hand, I feel that a lot of positive things happened. Lent Groups proved very popular and we were able to meet up with people via “Zoom”: from all around the Circuit and even further afield. I am grateful to those people who provided us with interesting programmes and events that encouraged us to think about the story of Easter in new ways.

We find ourselves now at the beginning of our summer and there is the growing hope of a return to a degree of normality as we are able to meet with greater numbers of people both out of doors and indoors and as we are able to return to the shops and maybe even go on holiday. Please continue to remember in your prayers our Parliament, the scientists and those working so hard to prepare us for a safe future in relation to the Coronavirus.

I did not have space in the previous magazine to tell you about the things that are happening in the Churches all around the Circuit so I will give you some details now. I know that lots of people want to know how the sale of Wendover Road is progressing. It is possible that by the time you read this that the sale will have been finalised, on the other hand, it may still be awaiting approval. This has proved to be a rather challenging process, but I am hopeful that it will be resolved shortly. I am

pleased to report that all the work at Egham has now been approved by the District Property Committee which is really good news. One major piece of work that has been completed is the installation of a new organ and I am looking forward to hearing it being put through its paces later in the year. I know that work is pending at Woodthorpe and I am grateful for all the hard work that is being done to resolve the issues at Laleham in particular. Thank you too to the Church Council at Southville Methodist Church who have sorted out some complex issues that needed to be addressed. I am glad that Boys' Brigade at Ashford Common have been able to resume. I invariably enjoy being part of their evenings which put me through my paces! Negotiations regarding the links between the Methodist Church and the Anglicans at Christchurch continue and we had a useful meeting recently which identified a number of matters that still need our attention.

Methodist Church Synods have been interesting this year as they have taken place via "Zoom". The first Synod this year was for Presbyters and included the renewal of our commitment to the Methodist Church. This is always a solemn and inspiring moment as we re-dedicate ourselves to the ministry where God has placed on each one of us. The second Synod is known as the Representative Synod. This took place on 27th March 2021. The annual report is received which includes the accounts and the reports from all the Groups and Committees that keep the District operating as it should. This particular Synod involved a number of ballots and it was interesting to be involved in voting via "Zoom" It was quite time consuming, but it all seemed to work well. We had reports from 3Generate and from MHA which were informative and gave an interesting insight into the work that they carry out. The District is an important part of our structure and I am grateful for the support that Wendy Cory, the

Chair and Assistant Chairs provide as well as those people who volunteer to be on the various Committees that work on our behalf. Please remember these folk in your prayers.

I hope that you are able to have a very pleasant summer as we find the restrictions on our lives continue to ease over the coming days.

God bless.

Andrew

SAFEGUARDING

There is so much news in the different sectors of our society about abuse that I wanted to remind everyone that keeping people safe from harm is high on the agenda of the Methodist Church.

The Methodist Church commissioned a “Past Cases Review” (PCR) in 2013-2015 of allegations of abuse by those in roles in the Methodist Church. It published its findings and the recommendations have influenced change in our Safeguarding Policies.

As a result of PCR there is a clear structure for creating a culture for safeguarding that isn't just about the Policies, but it also acknowledged that abuse within the church has caused lasting harm to the survivors of abuse.

Our calling

Rev Helen Cameron with input from the Methodist survivors Advisory Group wrote a study guide called Reflect and Respond ([safeguarding-reflect-and-respond-study-guide-0121.pdf](https://www.methodist.org.uk/safeguarding-reflect-and-respond-study-guide-0121.pdf) ([methodist.org.uk](https://www.methodist.org.uk))) which a number of churches have used during Lent. The Study guide used the “core elements of our Calling” as Methodists to ask how we respond to our calling after hearing the stories of Survivors of Adult abuse. The stories from the survivors was challenging to read, yet heart breaking as these were stories about the experiences of real people.

In our reflections we agreed that safeguarding people from harm was everyone's responsibility although we could all be vulnerable at times. We recognised that listening required skill and we need to do so more often. Many of the survivors said they found help outside the church so going forward as we return to our churches we would examine them to see if they are places of safety where all are welcome and all are equal.

Please take time to read the survivors charter and ask how would I like my Church to change? ([safeguarding-survivors-of-abuse-leaflet-0121.pdf \(methodist.org.uk\)](#))

The Action for Children Lent fundraiser has been well used in our Church over a number of years and, although things were a little different this year, people have enthusiastically supported again. Thank you for all the donations received so far, we'll share the total raised once a final count has been completed.

It was good to open the doors of the Church on Easter Sunday, a congregation of a dozen came together in person, following Covid precautions, to join the Zoomed service from Staines. Our presence was noted by the virtual congregation by the image of our Church ceiling and centenary window.

The changing seasons of Church life allow us to use the rich selection of banners that have been lovingly crafted over a number of years. In addition to the Easter banner this year we added a floristry cross.

With the gradual lifting of restrictions, we're pleased to be part of the Circuit Covid Committee and are working with them and our own Church Council to plan for the reopening of our building for weekly worship.

For the 10:30 Service on 25 April, 2 May and 16 May the Church will be open with the Staines Zoom Service being shared on the screen.

Preachers are planned for 9 May & 23 May. Once we have the agreement of those Preachers, the services will go ahead in Church as planned.

Rev Juliet's weekly presence at the Church on a Tuesday lunchtime will not continue but she remains available to offer any support and can be contacted directly on [REDACTED] or please call the Circuit Office Monday to Wednesday 9.00am – 1.00pm on 01784 462546.

Our Sunday School Anniversary this year is planned for Sunday 13 June. Both services 10:30 and **6:00** are to be led by Kait Sanger.

Birthdays in May will be celebrated by Justin Camis, Ann Stephens, Nicola Jeffrey & Tony McKenner and in June, June Hughes, June Mumford, Carol McKenner, Olive Chambers, Jodie Darvill and Chris Morton – we send our warmest greetings, happy birthday.

A couple of years ago, we were approached by the Borough Council, keen to use our premises as a polling station to avoid disrupting local schools. Our Trustees were supportive of our building being used in this way and, so we didn't displace the pre-school who meet on our premises, agreed (with some restrictions) to our worship space being used.

Visits successfully took place in preparation for the elections that were due to take place in May 2020 and all necessary documentation exchanged; then lockdown happened.

Discussions have started up again recently, with all the work done to ensure the Church was Covid secure for worship being of incredible value, as we shared risk assessments etc with the Electoral Services Officers.

Come 6 May 2021, even if you've not been in the building for Worship, those of you who live near the Church will be able to come inside to exercise your vote.

The Boys' Brigade 7th North Surrey Company

Never before 2020 have we had to pause our activities, we've had to do it twice in the last twelve

months.

Instruction from BBHQ, who take guidance from the National Youth Agency, has been that residential experiences should not take place. On the basis of this we have missed our Weekend Camp for the second year and with information on August not being explicitly clear, we took a decision earlier in the year to not plan a Summer Camp.

The restrictions lifted on 12 April fell during the Easter holiday and BB leaders spent a chilly evening in the Church grounds to discuss the opportunity of resuming face to face meetings.

It was agreed our work is important and our young people would benefit from being able to be together again and so from 19 April meetings at the Church began again.

We plan to meet at the Church until the half term at the end of May. We hope our normal outdoor programme can continue at the school as normal but at the moment this is not a given. Negotiations with the school are ongoing.

Ashford Common Methodist Church moved from premises in Alexandra Road to our current site in October 1960. The old site was sold but the building has remained for the intervening 60 plus years, until now – as I write the building is part way through demolition.

The death of the Duke of Edinburgh brought back memories of a contact with Prince Philip. I lived with my Parents Wally and Connie Griffiths and sister (Mary Windo) at Englefield Green 1950-65 quite close to Windsor Great Park. This was within walking distance even as far as the polo ground. On fine days this was a pleasant way to get some exercise.

We were walking alongside the Polo game in action when we realised that my father had disappeared. We stopped and looked back to see dad in conversation with a stranger – Guess who this was?

Yes it was Prince Philip. Just the 2 of them were deep in conversation.

We now are told that this was very common with Prince Philip.

Orville Callender, Janet Barton, Denise Callender have birthdays in May and June, we send them our best wishes as they celebrate.

What a difference a year makes.

When the first lockdown was announced in March 2020 we had just started our Lent Groups but sadly these had to cease with immediate effect. However Lent 2021 saw a very different approach. As quite a number of us had mastered the art of 'Zooming' with relative ease, it was decided to hold a Lent group for 2021 via the internet or on the telephone. We followed a course written by Liz Babbs called 'Transformed by the presence of Jesus.' The course was exceptionally well attended on a regular basis by six members from Southville and 10 from St. Dunstan's.

We were also able to offer a variety of services this year during Holy Week across the ecumenical parish. Mary Windo's meditation service on Wednesday 31st March was well attended by a variety of people from both the ecumenical parish and the Staines and Feltham Circuit.

We also had a choice of Maundy Thursday services and some of Southville's members joined in the Maundy Thursday evening service from St. Dunstan's via zoom.

The Church was then opened on Easter Sunday for worship and Holy Communion led by Rev Juliet.

The next services to be held at Southville will be on Sunday 9th May led by our superintendent, Rev Andrew Reed.

Outreach and Mission

Throughout the pandemic emails, cards and story books for Christmas and Easter have been sent to the four schools we support through Open the Book and we look forward to a time when schools are able to open their doors to us once again.

Gradually as lockdown eases, we at Southville look forward to a time when we can meet together and make plans to further our mission in Feltham.

DESIGN A NEW FRONT COVER

We have been using this cover for a number of years, kindly produced from the idea of Andrew Griffiths and the artistry of the late Alan Cuthbert, now the editors feel that it is time for a new design

IDEAS NEED TO INCLUDE:

The Title 'The Eastern End News'

The Churches

The Edition Date and Number

STOP PRESS OPTION

It is also nice to know the reason for the design

If you have any ideas please forward these to The Editors by the deadline for the next edition (End June).

It is planned to introduce the new cover from September 2021, Edition 25, the new Methodist Connexional Year and the 4th Birthday of 'The Eastern End News'

WE EAGERLY AWAIT YOUR SUGGESTIONS
