FROM OUR MINISTER

Dear Friends,

I am writing from Fulwood Sheffield, visiting my family. I have been listening to my grandchildren namely Chiedza (Light) 7years, Tinashe (God with us) 5years, Rumbidzai (Praise God) 13 years and Ruvimbo (Faith) 14 years reflections and experiences on Lockdown. COVID 19 brought disruptions, fear, and anxious moments not only for adults who had big challenges to deal with but affected children's lives as well and their education.

The younger ones stated Gogo (grandma), life at the start of Lockdown was complicated. We stopped going to school and we did not know what we were doing, staying at home without school was very boring. Then school started using technology and we were very excited, we saw our teachers and friends once in a while on Zoom. Our bedrooms were turned into study rooms with desks and computers. School started early at 8am, so we could finish early and have time to play. Chiedza stated, she missed her clubs such as gymnastics, netball, Pottery, trump ling and the most significant was the cancellation of the Orchestra competition, she plays a violin and her school was supposed to compete with other schools playing music. The Judges would choose the best Orchestra then the Orchestra will go to London or Birmingham to compete with other school Orchestras who have been best in their round. This she said upset her for she was looking forward to her school winning and going to London or Birmingham. Because they were at home all the time they missed their friends and teachers, they had to create their own hobbies- playing outside, picking berries, did a lot of baking,

watched too much Television, playing games junior Monopoly and other games.

The two big girls felt home was not good for school due to distraction and lack of focus. There were greater expectation and more workload from school. They stated, they could only do so much- working from 8:30am-3:30pm 5 days a week was very tiring. They missed their teachers and friends and the resources were few. They stated they could not meet for netball, Orchestra, Gospel Choir, concerts, life for them was limited. So they came up with their own programmes apart from school work. They had weekly quiz, tennis walking, cycling, barbeques, watching Moves, learnt African bit dance, to create an atmosphere of hope and joy.

The thing they valued most was spending quality time with family and doing things together. Ruvimbo and Rumbidza felt they had become more independent and organised to meet the deadlines for school work.

Asking Chiedza and Tinashe whether they are looking forward to going back to school in September? The answers was very

ambiguous yes and no, they are not sure. They are now set in the comfort of their home. I told them you need to go to school and learn, home schooling is stopping, if you do not go back to school you will not see your teachers and friends. Tinashe is the youngest in year 1 the mother reported sometimes it was difficult to creating that school discipline for him to do his work. The challenge was big, suddenly mothers were teachers without any preparation such were the circumstances created by COVID-19.

Apart from reflecting on experiences of Lockdown with my grandchildren, my son took us to the great city of York for a day. The trip was disturbed by the rains, however we managed to enter and tour York's Cathedral one of the finest medieval building in Europe known as the York Minister. The stained glass windows are stunning, the architectural workmanship is splendid and one wonders how

they came up with such ingenuity to produce such magnificent buildings, which we do not see in our days. It was a very informative tour.

We went to the Shambles Market for lunch, the food was good and we all enjoyed ourselves. However, my main concern was there were many people and because of the rain, people were

not observing social distancing. I was very concerned. I thought if we do not keep the guidelines COVID 19 will persist and lives will continue to be sacrificed. The virus is real and we need to fight it by following the guidelines that our Government has given us, and contain the speed of this deadly virus. It was a great opportunity to tour the great City of York, apart from the crowds of which I was part of with my family. We had our masks on. Many people did not wear them. I believe we all have to be responsible, each person playing their part in the COVID 19 war, by adhering to the stipulated regulations and measures put in place by Government. It seems it is hard work to make people observe these measures and there is no way that is effective to police them.

Looking on the Eastern End, we are preparing to open our churches during the month of September. Coming out of Lockdown involves a lot of thought to get congregations back safely to worshipping together. COVID 19 has completely created a new world, we can never go back to the life we had before. The Churches are working hard to come up with Risk Assessment documents to safeguard and protect the congregations and the people who use our buildings. We know these have been difficult times. We know God will bring good as it is said in Jeremiah 29” **For I surely know the plans I have for you, says the Lord, plans for your welfare and not to harm, to give you a future with hope “ v 11**

God works for good in all things, he knows the way He is taking his Church. It is well.

In Christ’s Love,
Juliet

FROM OUR SUPERINTENDENT MINISTERS OFFICE AND BEYOND

Dear Friends

I wonder how the events of the past few weeks have affected you. On top of all that is happening in relation to the Coronavirus we have been confronted by other highly significant national and international events. All of this information needs to be processed and people have responded in a variety of ways. My guess is that you find that you agree with some groups more than others as the arguments about the value of life, the place of statues in our community and history whirl around in our minds. I watch and listen to the news with an incredible sense of frustration sometimes and seek to find the place for my faith in the story as it unfolds.

For some reason it was the statues that kept coming into my thoughts. I saw Edward Colston plunging into the harbour and Sir Winston Churchill surrounded by a box and my mind went from Parliament Square to the West Front of Westminster Abbey. When the Abbey was built there were a number of niches for statues. When the building was restored in 1992 six statues were placed high up on the towers. In 1995 four allegorical figures were placed either side of the Great West door. These were. Truth, Justice, Mercy and Peace (Psalm 85:10). Many innocent people have lived and died to support these ideals. This left just ten niches over the door. A decision had to be taken about the people to placed in each niche. Four Sculptors worked on creating the statues and they were unveiled on 9th July 1998. Each statue represents a Christian Martyr from the twentieth century.

Esther John from Pakistan was a Presbyterian Evangelist who allegedly killed by a Muslim fanatic in 1960.

Martin Luther King, a Baptist Civil Rights Campaigner was assassinated in 1969.

In 1973 Wang Zhiming, a Chinese Pastor and Evangelist was killed in the Cultural Revolution.

Janani Luwum was an Anglican Archbishop in Uganda who was assassinated during the rule of Idi Amin.

As recently as 1980 Oscar Romero from El Salvador who was the Roman Catholic Archbishop was assassinated.

I have repeated this article in the Staines Newsletter where you will find the names and brief details of the other five Martyrs.

We need our statues and we need to look at the stories they tell.

I must admit that whenever I visit Westminster Abbey I look at the statues on each side of the door and then I look at the ten people whose lives and deaths give meaning to what it is to be human as they stood for what they knew to be right.

God bless.

Andrew

STAINES AND FELTHAM METHODIST CIRCUIT

Registered Charity No. 1135633 (South East District – 36/5)

SEPTEMBER – NOVEMBER 2020 PREACHING PLAN

As you will be aware, Churches in the Staines and Feltham Circuit have not been using their premises for worship for several months due to the Coronavirus.

This Plan shows that a lot of work has been going on behind the scenes to enable every Church in the Circuit to be operating by the end of September. I am grateful to all the Managing Trustees, Deacons and ECC members who, along with members of they Clergy have enabled this to happen. The Plan clearly indicates when services resume at each location. (St Jude's are providing a mixture of live and Zoomed Services so please check on their website for weekly information if you intend to go there. Although the Churches are now open, please bear in mind that the decision to attend is yours and that you must not be exhibiting any signs of the Coronavirus if you wish to attend. You will be asked to confirm this when you arrive. You will also find that services will not be the same as they have been in the past and you will be asked to comply with various instructions both as you arrive, during the service and when you leave.

I know that a number of people will be pleased to learn that YouTube and Zoom services will continue at various sites and I am very grateful to everyone who has enabled these services to happen. Please look out for notices indicating where these are taking place. The Zoom Service from Staines will continue each week for the foreseeable future.

Finally, I need to point out that this Plan may change at very short notice in response to advice received from the Government or the Methodist Church. I will endeavour to ensure that you are kept informed.

God bless, Andrew Reed

We offer greeting for September birthdays to:

Adrian Chambers, Paul Vermeulen, Andrew Janes,
Shirley Minns and Tina Sadri

For birthdays in October to:

Linda Duguid and Valerie Hodgson

Throughout the difficult period of lockdown, where we have e mail addresses for our congregation, it's been good to be able to share Rev Juliet's reflections electronically. If you've not seen any of these and would like to be included, please share your e mail address with us.

A number of our congregation have also continued to gather virtually on Sunday mornings with friends from around the Circuit in Zoom services. These are broadcast live and generally follow the pattern of a normal service, including hymn singing. The services are also recorded and can be accessed via the Staines Methodist Church website afterwards.

With the relaxation of restrictions, our Trustees have been carefully studying guidance from The Methodist Church to prepare us to return to Sunday worship in the Church, this will begin from Sunday 13 September. While this may be great news, we will not be returning to the same customs and practices we were used to before we were forced to close in March. Please look out for specific communication in the next couple of weeks.

Harvest Festival this year is scheduled for Sunday 20 September and normally we would enjoy a full Church brimming with gifts for the Manna Foodbank. When we reopen, capacity will be limited to 25 people, this means we won't be able to invite families from The Boys' Brigade to join us and our celebration will be very much subdued.

Similarly, the celebrations we would like to enjoy on Sunday 4 October to mark the 60th Anniversary of moving to our current building, will be quite low key.

Of course the current circumstances mean Rev Juliet can't be at the Church each Tuesday from midday to 1.00. If there is any support you need at this difficult time, please call the Circuit Office Monday to Wednesday 9.00am – 1.00pm on 01784 462546 or Rev Juliet Ushewokunze 0208 890 2783.

Since the last use of our building took place on Saturday 21 March we have been visiting from time to time for safety and security, and to undertake some maintenance.

A visit at the end of June to cut the grass discovered the pulpit window had been opened from the outside with a couple of bricks.

Our maintenance team quickly changed their plans and set about making the building secure by boarding up the new opening into the Church.

We are lucky to have a trusted glazier who lives a couple of doors away in Saxon Road who has now been able to help us with a proper repair.

If you ever pass the building and feel there is something going on which is suspicious, please let one of the Church contacts know, or call the police.

The Boys' Brigade 7th North Surrey Company

With BBHQ insisting no face to face activities can take place, it has been a quiet summer, of course our planned Camp to Devon was cancelled.

As schools prepare to return at the beginning of September, we too are looking at advice from The Boys' Brigade and Methodist Church to consider what we must do to return to safe face to face meetings. An immediate consideration is that meetings must be limited to no more than 15 people, and we need to understand how to interpret instructions around face coverings.

Getting back to BB in any form is going to be a challenge and our leaders are working through the details. For the time being, we don't anticipate being able to progress with the normal Church

Parade for Harvest Festival, and the Enrolment Service that would normally have taken place on Monday 5 October is unlikely to be going ahead.

From the Editors:

As a Church and Circuit Family we do like to learn of how the
Church families are, many of these will be happy reports, but
some, unfortunately, are sad ones. We can limit the details that
are shared if you wish, but we feel the whole of the Church
Family would like to know so that we can have you in our
thoughts and prayers.

Think about submitting something about what you have done or have planned as a church family for future editions, could you write something: What you have done as a church during these different times or about what you have planned for Advent and Christmas

As you can see from this edition we can easily include photos so if you are submitting an article that would be enhanced by a photo please send that in too.
