FROM OUR MINISTER

Dear Friends,

I greet you all in the name of our Lord Saviour Jesus Christ. I am writing to you whilst in South Africa with my family and granddaughter enjoying the sunshine.

I start off with a sad note to inform you that Mrs Jean Edwards passed away peacefully at her home on Boxing Day. She was a committed and prominent member of Southville Methodist Church and took on responsibilities and roles within the church for many years and I understand that she was an organist. Each time we visited her she would appreciate singing Methodist hymns with her. It is with profound sadness and sorrow to hear of her passing. My condolences and thoughts go to her family especially her son David who was her carer. My prayers are with them and the community at Southville.

When we came to the end of 2020, there was some hope and expectation that we had seen the worst of the global pandemic, however 2021 has not been much different and now the entire world is entering the third year of this unprecedented event. I have no doubt that many of us have been affected by the virus, but it is at times like this that we need to remind ourselves that God is still on the throne (Psalms 48.8).

We give thanks and praise to God Almighty that we were able to celebrate Christmas. The Pandemic COVID 19 could not stop us from doing those significant things we need to experience to mark this greatest event that ever happened in history. The birth of our Lord Jesus Christ at Bethlehem in a manger is the Good News that God is with us our Immanuel. Our churches were opened during Advent season, we had great moments of waiting and were nourished by the word of God as we journeyed with Joseph and Mary to Bethlehem. We sang carols, prayed in

expectation of our God who comes to us in human form. Despite the sorrow and ruins that surround us caused by Covid. We were also able to celebrate important events such as anniversaries and harvests in our churches in the Eastern End. We thank God for those things we are able to do to keep our communities looking forward.

The experiences of this current period is a reminder to us of the fragility of life and that we need to do the best to value our loved ones. It is also at this time of the New Year that we are anxious about what is to come. Many of us are thinking about how things will be different. I for one am thinking about my pending retirement and what God has for me and I also think of the Churches under my Pastoral charge how they are going to move and proceed forward. Sometimes our joy tends to revolve around our own ability to make the changes.

2 Corinthians 5 reminds us that if we are in Christ, then we are new creatures old things have passed away (v17). It is God who has reconciled us to himself by Jesus Christ (v18). Therefore as we resolve ourselves, and reflect on what has been I encourage you all to look to Christ and reconcile within yourselves what is to come.

As the community of faith and individually it is in your power and consciousness to make 2022 a most significant year in the life of the church (the Eastern End) no matter what challenges we might face. On your New Year's resolution's, commit and trust Christ to aid you as you take his mission forward to impact the communities you are serving.

So as we commit to becoming new creatures in Christ this New Year we need to also reimagine ourselves by continually renewing our spiritual intent. This ensures that we embolden our own progress. Luke 5 is a great reference point for us-we must

not put on new garments upon old ones, we must not put new wine in old bottles (v36-39). We must renew ourselves and shake off the old. If we stay on the right path lit by God, then we should not fear any problems that come our way as we will be renewed people and being triumphant.

As we unveil the new year lets consider the renewal of our spiritual mind, body and soul. Let us forgive those who require forgiveness and lets carry our spiritual intent beyond the first week and affirm that we will be better disciples of Christ throughout 2022 and beyond. What we do must be sustainable to create a lasting effect and lasting change in our lives and our communities.

I pray that you and your families have a Happy New Year.

With Christ's Love

Juliet

From the Circuit Office – and Beyond

Dear Friends

I hope that you have been able to enjoy a peaceful and happy Christmas and that the New Year is getting off to a good start for you.

Work in the Circuit continues at a pace with the Circuit Invitation Committee and the Circuit Leadership carrying out their tasks in relation to the Stationing Process. We hope to be able to let you know the outcome of this work in the near future. In the meantime, please continue to pray for all the congregations around the Connexion as well as all the individuals involved in the Stationing process over the coming days.

Once again, as you flip through "The Eastern End News" there is much to encourage us all about the work that is going on in our Churches as each location reaches out to our neighbours.

Here at the Circuit Office, we continue to provide support to all the Churches as we compile the Plan. I am pleased to be able to add two names to the list of Local Preachers. Mr. Phil Salter has been able to conduct worship already in our Churches. Mr. Philip Leese is not currently able to lead services, but his name has been added to the list as he hopes at some point to be able visit Churches in order to share services with us. I am grateful to all our Local Preachers and our Worship Leaders as they continue to support the work of the Circuit through their ministry amongst us.

We are also looking at a number of projects which have been progressing. We are hopeful that the purchase of the Feltham Manse will be completed very soon. We also have a long list of work that needs to be done at the manse and this is now out for quotes to be finalised.

The sale of Wendover Road Methodist Church is moving forward rather slowly, but by the time you read this, we are hopeful that the sale will have been finalised. I am grateful to so many people who have worked so hard bring this sale to a conclusion.

One other piece of work relates to the Partnership at Christ Church in Feltham. A new draft of the agreement is now with the Solicitors seeking their guidance. Once this has been done, the intention is to place the matter back before the Circuit at our next Circuit Meeting.

Thank you for your support and prayers over the past year which are very much appreciated.

May you know the peace and comfort of Jesus Christ as we continue to serve him in 2022.

God bless.

Andrew

We have enjoyed taking steps to get some way back to normal during the Christmas season. Although a little subdued, and without the opportunity to share refreshments, our Carol Service was a great occasion along with the Christmas morning celebration. Both of these were led by our Minister. We are

grateful that we have been able to open the door and put the lights on to show the community around us that our Church continues to be active.

As we look to the plan for January, we are particularly looking forward to 16 January when our AGM will be embroidered into the morning service. This is a great opportunity to reflect on the work of our fellowship of the past year.

At the end of September, we said goodbye to Shirley Minns who has been a regular member of our congregation for many years.

Shirley has recently written to us and we share the content of her letter below.

We have Shirley's address and telephone number, if you would like these, please ask.

Dear Friends

Although I'm missing my mornings with you, I have been welcomed in a true Methodist way in Alton. One problem, the service starts at 10:00am so when I'm joining everyone in the hall for coffee & biscuits you are just starting your first hymn!

It is a very lively Church with lots going on and a big congregation, (40 +). The Boys' and Girls' Brigade seem very active, and the Sunday School is every couple of weeks.

Everyone is spoken to by Christian name, and only after a few weeks the Minister came to have a chat and asked my surname to make it official. I think there are at least four Shirley's but we get by!

Every few weeks the local Anglican Church join us for the morning service, the Vicar and Minister play a joint role. As you can guess every seat is taken with others brought in from the hall.

There are various activities during the week so far I haven't had time to take advantage but hope once I find my way around the district – even things like finding a post box take time, I will be able to join some of them.

I will be thinking of you all at Christmas and I promise to keep in touch, 60 years is a long time I only managed 25 years at my first "Chapel" as everyone called it then.

I wish each and every one of you a happy Christmas and hopefully a better year next year.

*Love to you all
Shirley.*

Yes, only $\frac{3}{4}$ of an hour to get here, anybody is welcome anytime.

While Rev Juliet is not able to continue with Tuesday lunchtime prayers at the Church, our Minister remains available to offer any support and can be contacted directly on 0208 890 2783.

We send birthday greetings to Doreen Mellish, Hannah Camis and Christine Fisher who have birthdays in January. We also say Happy Birthday to Maureen Jeffrey who celebrates in February

7th North Surrey Company

The Remembrance Parade in Ashford takes a rightful place in our annual programme. This year the organisers were taking precautions to limit the numbers but we were given special dispensation to attend as normal, including the parading of our

Colour at the head of the parade with that of the Royal British Legion.

Looking back across November and December, we have more than 100 photographs of the activities we have offered. We've talked about WWII, enjoyed crafts, played games, recreated I'm a celebrity and baked Christmas cakes

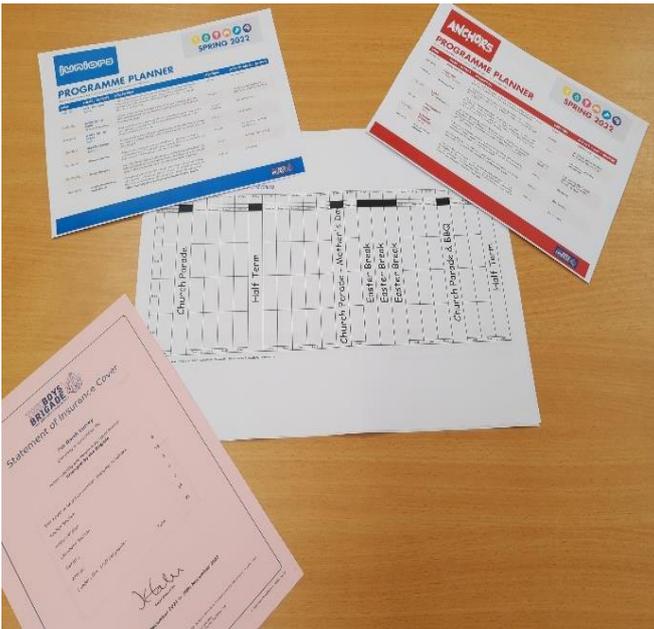

– we've also been in Church for Advent.

With careful control of Covid risks, it was a privilege to be able to offer a party for the Anchors and Juniors just before the Christmas break.

They arrived at the hall to music, party lights and smoke, we offered party food and enjoyed traditional games too.

This update is being written in the break between Christmas and new year. Although we are away from our weekly meetings, leaders are working through the programme material for the period from January to May – when holidays are taken into account, there are 16 weeks to fill.

Family News

Sadly, we need to report that **Mrs Jean Edwards** passed away peacefully on Boxing Day at home. The funeral has been set for Wednesday 2nd February 2022 at 11:00 at Southville followed by cremation at the at the crematorium for family only.

We are delighted to report that despite all the restrictions on nursing homes Rev. Juliet has been able to visit our mum, Barbara, in the Cloisters, on several occasions since September, Barbara looks forward to receiving communion and enjoys chatting to Juliet about members of Southville and always asks especially about

Rudado.

Barbara is well looked after physically and as several of the staff

are Christians there is often someone there willing to pray with her, sing hymns to her and make sure she has her television on for Songs of Praise when we are not there.

Despite her health deteriorating of late she still enjoys our visits, seeing photos and videos of the family, listening to music and having her bible read to her and singing hymns.

Barbara celebrated her 92nd birthday at the beginning of December but was too poorly that week to eat cake but as you can see from the photo, she made a remarkable recovery a week later and even managed to eat all of the cake on offer. Barbara wishes .to send Christmas greetings to all who know her.

Marilyn and Maggie would like to thank all those who continue to hold Barbara in their prayers.

Unfortunately, we had to cancel our Taste of Christmas event but the congregation of Southville Methodist Church still managed to raise £120.00

Food Bank Collections

Throughout the pandemic members have still been supporting the Storehouse either through dropping off donations individually when possible or donating cash through their online payment system.

We are pleased to say that we are now able to receive weekly food donations each Sunday morning.

Advent Study

This year's Advent Bible Study was entitled Singing the Story, by John Birch. We held this via zoom and included our friends from St. Dunstan's Feltham.

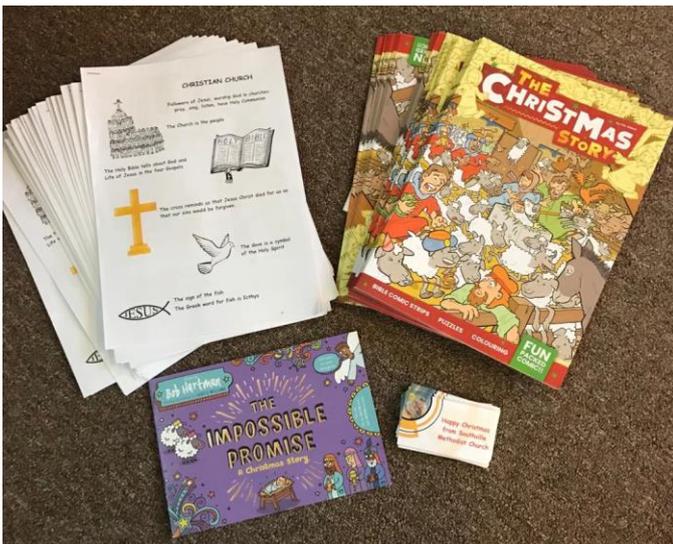

13 people signed up and we journeyed through the words of four carols/songs taking a broad look at the season of Advent.

School Visit to the Church

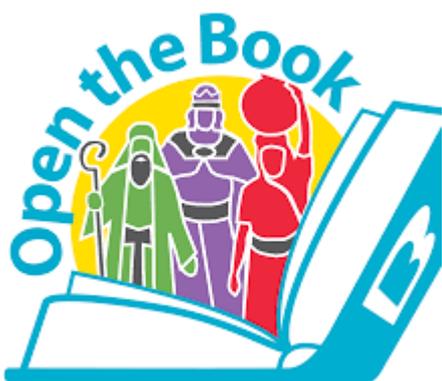

During the last week of term Cardinal Road School brought Year 1 on visits to the Church. This was done over a period of three days to keep numbers down in the Church at any one time. In the first half of the visit Rev. Juliet and Marilyn introduced the children to the signs and symbols of a Christian Church, in keeping with the National Curriculum. The second half of the visit gave us the opportunity to share the Christmas story with them.

It was all very exciting with lots of audience participation and thanks to Jonathan, the use of technology. Sandy and Marilyn took turns to tell the story, Open the Book style, supported by our Nativity Tree.

The children then sang to us before leaving to walk back to school.

We provided each child with a Scripture Union comic, a story book for each class and worksheets depicting the signs and symbols of a Christian Church.

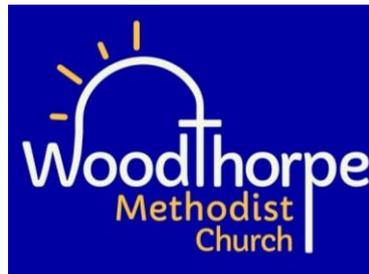

We are looking forward to a time when we can take Open the Book sessions back into our local schools.

Clarendon Road Church Garden

As you can see from the photographs the garden had become
very overgrown.

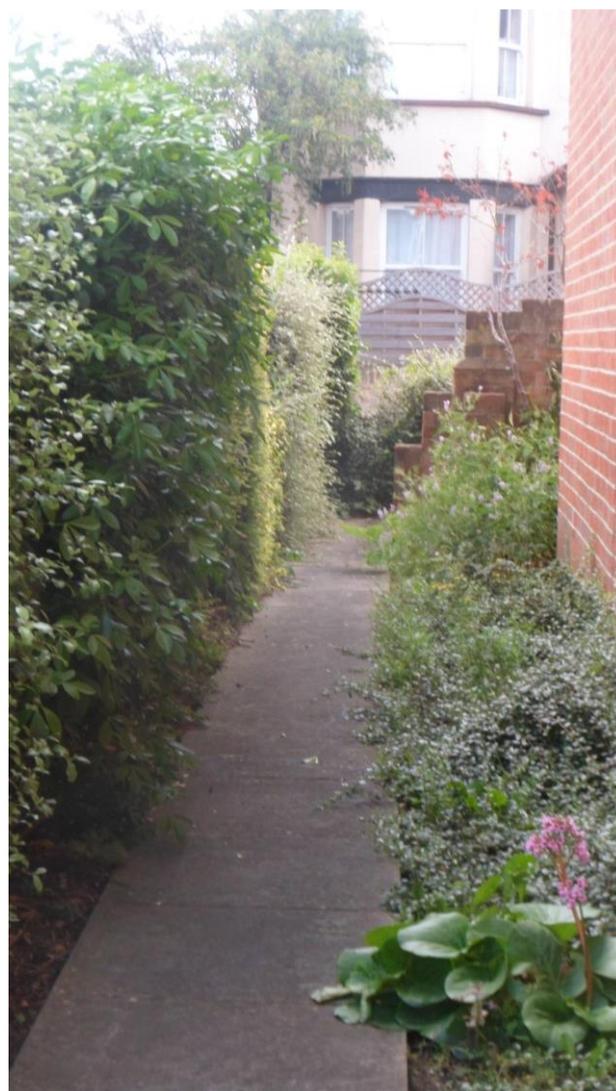

In fact things started to get dumped in there, eg. a mattress, a
chest of drawers and all sorts of items.

So we decided to clear all the overgrown bushes and weeds to
make it into a more useable space.

We are reinstating the far end as a memorial garden. We have a
memorial to the fallen of the church in both World Wars and
some Ashes were scattered there.

This will be a peaceful area where people can come and reflect
if they so wish.

Wooden troughs for plants have been made from recycled bed slats(see photo) and people from the church have started to paint and plant them.
